

## **FASTTRACK PREMIER PARKER TERMS and CONDITIONS**

The FASTTRACK Premier Parker loyalty program ("Program") is valid in **FASTTRACK™ Airport Parking** and **AviStar® Airport Parking** facilities that are owned and operated by PCAA, LLC, located at 8255 Firestone Blvd, suite 502, Downey, CA 90241 ("PCAA"). **See Appendix A** for list of PCAA facilities.

"Participants" in the Premier Parker program are defined as individuals who have completed the enrollment form for the Program, either online, by mail or over the telephone, and who have a valid Premier Parker card in their possession.

All tables determining the number of points required for free parking and/or other benefits are solely governed by PCAA and may be changed by PCAA at any time without notice.

Free days will only be issued when a Program participant has accrued enough points, as specified in the point tables on our website [www.fasttrack.com](http://www.fasttrack.com). **There is a one-time requirement upon enrollment that the participant accrue five (5) free days before any free days are awarded.** Once that threshold is reached, participants may accrue and use single days as they wish.

All free parking day(s) awarded will **expire 1 year from the date of issue.**

Free parking awards are not guaranteed to be available on all dates. If a facility is sold out, or otherwise closed to additional business, on a requested date, the Program participant will be asked to choose an alternative date to use the free days.

Free parking days may be used separately or together.

When using the Premier Parker card, **only 1 discount can be applied per stay.** This discount may be from a coupon, a corporate discount if applicable, or an automatic 10% off if Program participant is a Platinum member in good standing. "In good standing" means the participant has a valid credit card on file and is either (1) in the 1 year free trial stage of the Platinum program, or (2) has paid the \$15 dollar Platinum Program fee in the second year or in subsequent years of Platinum participation.

In order to receive a **corporate discount** linked to the Premier Parker card, a participant must be **currently employed** by a corporation that has a signed, written agreement with PCAA. Corporate discounts are subject to change or discontinuation based on the status of the corporate contract with PCAA and the employment status of the participant. When a Participant leaves the employment of a corporation entitled to a PCAA corporate discount, the Participant will no longer be entitled to that corporate discount.

The **Platinum Premier Parker membership costs \$15 per year**, with **the first year fee waived (free)**. In all subsequent years, the \$15 yearly membership fee will be charged to the Platinum participant's credit card on file in their Platinum Premier Parker account.

**Express Exit is not guaranteed** and issues may arise that require a Platinum Participant to see a cashier. This includes, but is not limited to, situations where the Participant (a) wants to change the discount used, (b) has not presented a discount coupon in advance, (c) has presented a discount coupon that is invalid or not readable by the cashier, (d) has encountered faulty operation of certain machinery such as exit gates or spitter ticket machines, (e) does not have a valid credit card on file.

- Express Exit is currently available in the following VALET facilities: AviStar Chicago, Hartford FASTTRACK Red Lot and Blue Lot Valet, Newark AviStar McClellan St and Haynes Ave lots, New York (AviStar JFK & AviStar LGA), Philadelphia FASTTRACK South and North Valet lots.

- Express Exit is available via kiosk in the following SELF PARK facilities: Columbus FASTTRACK, Oakland FASTTARCK Premier Lot.

**Express Exit requires a valid credit card linked the Premier Parker card** and all parking charges will be charged to this credit card.

The Platinum Premier Parker automatic **10% discount is a discount off of the standard “rack” rate** which is subject to change at any time without notice. Rack rates are generally posted at the facility and are also posted on our website at [www.fasttrack.com](http://www.fasttrack.com).

Premier Parker participants will not lose any points from qualified pre-existing loyalty programs (qualified programs are defined on our web site) at PCAA facilities (defined in Appendix A). In order to receive credit for pre-existing programs, participants must first enroll in the Premier Parker program, then follow the instructions provided on our website for conversion of points from pre-existing programs.

All disputes are governed by the laws of the State of California.
